

INVESTIGATIVE NOTES RON LALLY HOMICIDE INVESTIGATION
94-4525

Contacted 021094 by Det Mike Beman of CPD Homicide and was advised that the body found in the cemetery on 011994 was that of Ron Lally. At this time the coroner has not ruled on cause of death but it would appear that he was shot in the right side of the mouth with a small caliber weapon, the bullet recovered from the throat. He was beat about the head and body, his throat was cut, again not fatal, and he was stabbed, again not fatal.

On 022394 Beaman & Moore from CPD on station. Coroner has ruled death a homicide. Cause of death was a culmination of the injuries including blunt trauma to the head...

On 022394 Det Leiby obtained a copy of the COURT DOCKET on Dan Smiths drug trial and learned that a Jury Trial was scheduled for 011994 the same morning that Lally was found dead in Cleveland. The trial was continued at the request of the defense.

On 022394 Det Leiby made phone contact with 41571 Northwood Ave., Phone 324 2301, the last known address of Terry Hopkins. It was his mothers address and she advises she has little contact with Terry. She advised to call his sister Sharon at 324 3637.

Learned that the phone number 324 3637 is listed to 142 David Drive D-1.

At about 1750hrs 022394 Det Leiby & Whitely made contact with SHARON HOPKINS at 142 David Dr Apt D-1. Elyria. Ms Hopkins was interviewed in reference to her brother Terry Hopkins. Ms Hopkins was apprehensive about discussing her brother at first, asking "What did he do now." Once she was assured that he was not in trouble at this time she became very cooperative in answering questions.

She advised that Terry is in Mansfield for the rest of the week with his girlfriend Temeka Foglyano. Ms Foglyano is at some kind of hairdressers school for the week. She lives on 9th St. in Elyria with her parents. Parents do not know that she is dating Terry Hopkins as they do not approve of him.

Terry is due home Friday at about 1800hrs and works as a bouncer at the Power Slam Bar Friday 022594. (Note that Stan Jalowiec also works at the Power Slam as a bouncer.)

Sharon was questioned about Dan Smith and if Terry had said anything to her about a homicide. Sharon knows Dan Smith, is afraid of him and doesn't like him. She was asked if Terry had discussed a homicide with her and she said no. She was also asked if she had contacted a police officer in another city with information concerning the homicide and she advised she had not.

Briefed Sgt Behne on what had transpired. Leiby will not be available on 022593. Sgt Behne will arrange to have Det Jaykel assist Det Whitely with the interview of Terry Hopkins.

On 022494 Det Beaman & Moore from CPD came to Elyria. Provided photos of crime scene and police reports from Cleveland.

Contacted JIM SNYDER, 516 Middle Ave, Elyria, DOB 122449, SSN 277 48 4111, Lally's landlord. He advised that Lally turned up missing for about a week in December. Advised that Andre Gooden had more information than he could provide.

He was aware of an incident where Dan Smith and at least two other people were at Lallys apartment threatening to kill him in Oct or Nov. He also advised that the last time he saw Lally was 010894.

Saw Stan Jalowiec at the apartment twice. Didn't trust Stan and didn't want him around.

Put the three day notice on Lallys room on 012494....

Contacted Andre Gooden, 516 Middle Ave, Elyria, Phone 323 7476 H/ 324 2355 W/ DOB 120668/ SSN 301 70 8685, Works at Taco Bell at the Mall food court. He was freinds with Lally

He indicates the incident where Dan Smith, Vernard Barry & Stan Jalowiec were at Lallys making threats was in Oct or Nov. That the police caught Dan Smith on that date and spoke with him. He knows Smith & Barry from the neighborhood. Last time he saw Lally was 011594 in the evening. Lally had company, a man & woman, possibly family, and an italian looking guy

who was a friend of Lallys who came over alot, name unknown, described as 5'6" Dark Hair, balding, mustach, fancy dresser, in his 30's with a drug problem. Drove a burgundy colored Aries K with a broke out rear side window.

Lally was getting ready to go out later on, on the 15th and Gooden observed him to be wearing a brown Carhart jacket, blue jeans and brown boots. He advised Gooden he was waiting for a ride but did not say from who.

Leiby & Beaman were both uncomfortable with this interview. Gooden grew up in King Kennedy (near the cemetary) and knew his way around. He knew where the cemetary was and knew guys from the neighborhood that CPD was familar with. Gooden would make a good suspect if he weren't so cooperative. He did not appear nervous during the interview.

He knows the suspects, he was a trusted friend of the victim, he knows his way around Cleveland, specifically King Kennedy and the cemetary. He has a prior drug trafficking conviction. He doesn't have a car.

022594 Jaykel & Whitely interview Terry Hopkins, uses 142 David Drive Apt D-1, sisters address & phone. He stays with Dan Smith at Pine Grove Apartments, 129 David Dr. Apt G.. Interview was covertly recorded.

Denied any knowledge of the incident. Claims he wouldn't hang around with anyone who would do something like that. Wouldn't be bragging about it down town if he did know something.

Denies that he uses drugs and denies that Dan Smith sells drugs any more. Knows Smith from school. Smith lets him stay at the house off and on.

Claims to not like Stan Jalowiec. Doesn't know if Dan Smith has a gun. Dan drives a gray Taurus.

In Jan 94 Hopkins was in Jail. Went in on Wed and got out on Friday. Then went to Lorain jail and stayed until Monday. Was in for five days total.

Would not take a polygraph test in reference to this. Became very defensive when asked. Was asked several times and refused each time.

Talked to Dan on the phone just prior to coming to EPD. Dan said he ain't did shit and he would come in and talk to us.

Hopkins girlfriend is Temeka Foglyano.

Jaykel asked point blank "Are you involved in any way in the death of Ron Lally?" Hopkins responds No, No way.

Doesn't owe Dan any money. Dan doesn't owe him money.

Used to be an alcoholic. Works at Power Slam as a bouncer.

Not involved in this thing but will not take polygraph. Nothing he can tell us about the incident. Never made any statements to anyone about Dan Smith hurting anyone.

Stan Jalowiec talks about beating someone up every day.

Can provide an alibi if we tell him what day it happened.

022894 1214hrs Leiby & Whitely locate and interview VERNARD BERRY, DOB 111372, SSN 295 86 4611, 102 Bethesda Circle (His dads house) Elyria Ohio. Dan Smiths best friend. This is tape recorded covertly by Leiby.

Denied any knowledge of Lallys death. Used to be one of Lallys neighbors. Stayed at Floridian Apartments on Foxhill with his girlfriend Sonja Allen. Ms Allen lives in New York now. She will be returning soon and they will live in a house on Scott Street in Elyria when she does.

Claimed to have been at Mr Heros in Sept when they went over to Rons Apartment. Was Danny, Stanly Jalowiec, Berry and some "Dudes they had just picked up." Didn't know the other guys. The cars had been parked behind the high school. No girls involved. Terry Hopkins was not there. The two he didn't know was a white dude and a black guy.

Berry was very evasive, denied everything, including any involvement in the thing in Sept. Will not take a polygraph test.

Leiby & Whitely both felt he was not truthful.

030194 1108hrs Leiby & Whitely interview DARREN TACKET. DOB 112471, SSN 284 78 5485. This was recorded but the tape played blank. Records Discovery work, We got a blank tape. appeared truthful and was agreeable to a poly graph.

030194 Terry Hopkins came to EPD unannounced and asked to speak with Leiby. Reiterated that he knew nothing about the homicide and wanted to speak directly with Leiby. Indicated he would consider a polygraph test.

030394 Terry Hopkins called Leiby and refused to take a polygraph.

030494 Leiby brought Jalowiec back to EPD from court. Jalowiec came voluntarily as Leiby saw him DUS on the previous day. This interview was recorded.

Stanley was like everybody else. Didn't know anything about the homicide and would not take a polygraph test.

***It should be noted that Dan Smiths dad, also a possible suspect in this case, drove Jaklowiec to court and waited around the courthouse for Stanley. Mr Smith is apparently back off the crack and is in pretty good condition.

030494 James Wilkersons name came up in this as a freind of Dan Smiths. James is probably the supplier for Dannys dope. James is pending sentencing on several drug deals and is looking at at least four years actual. I sent word via P.S. that I would like to talk to James about the homicide, and maybe work a deal on his time.

030994 PS called Leiby and advised that Wilkerson said Lally deserved to die if he was a snitch and Wilkerson did not wish to speak to anyone about a deal.

***It should be noted that Wilkerson has been living in Cleveland for a awhile now and is driving a full size, light blue, Ford Pickup

Wilkerson is a third or fourth degree black belt in martial arts. Wilkerson should be leaving anytime for prison and is moving alot of cocaine into Elyria, to Danny Smith. Most recent delivery was alledged to have been the week of 030794.

****Note that the officers have been checking the bottoms of the shoes on all interviewed suspects. This has hopefully been done in a manner that did not arouse suspicion. Sofar no heel prints like the ones we have photos of.

030994 Made telephone contact with Mike Shelton, 324 4425, Boss at Power Slam bar where Stan used to work. He heard that everyone thinks Dan Smith did Lally but heard that Lally snitched on Dan and thats why he did it. Spoke in genralities, nothing specific.

031094 Spoke with Tammy Lally, Home phone 749 4134, 8909 Ansonia AVE Brooklyn, 44114 Work Phone 779 4246 Ext 7522 Trans union Credit Bureau

She advised that Ron had two O/Ls and both are missing. Wanted me to check on an incident in Brecksville that was similar to Rons death.

031194 Spoke with Sandy Williams ,288 6119 was Rons Girlfriend. She advised that Ralph Zinners Phone number was 327 5573 She says that Ron was not affiliated with the KKK. That She had gone with Ron, Ralph Zinner, and Ralphs wife to a Rally in Lodi two years ago and nobody really showed up. Ron didn't got to any meetings or anything.

She advises that Jan 9th was the last time she saw him. She felt sorry for him and took him cigarettes. When she got there he had a black girl, Donna, in the room. (Donna is described as B/F late 20's, 508, real light skinned, big girl, big build, wearing glasses. Ron was in the shower, down the hall, and Donna let her in. When Ron came in she threw the cigarettes at him and walked out. Denies any knowledge about Rons & drugs. She saw Dan Once, when threats were made.

Ron had been hanginmg around with Mike, a little guy he met at an AA meeting. She reffered to Mike as "a little faggot" and felt he was gay. Ron was straight though, as far as she knew. Ron went to AA meetings all over the county and she did not know which one he met Mike at.

031194 per Tammy Lally's request I spoke with Det. Neforos of Brecksville PD (526 8900) about an assault that occurred there that may have involved KKK. He advised that the assault was against a landlord who was evicting the people who assaulted him. Nazi swastika painted on the wall, Vict was handcuffed, beat with Kubaton, nun chucks and cut with a utility knife. No Connection with the Lally incident...

031694 Ronald L Davis , SSN 374 72 9811, DOB 032875, was arrested for Bench warrants. His arrest sheet and phot are in the file. He asked to speak with someone about a murder. Leiby spoke with him. Davis is mentally handicapped and would have little if any reliability as a witness. Some of what he said made sense and other things he said were way out in left field. He is Stan Jalowiecs cousin. He claims that Stan is bisexual and has tried to put moves on him.

He claims to have been at Dan Smiths house recently and to have overheard Smith & Jalowiec talking about killing soeomeone in Cleveland. Davis claims that Stan talked about flirting with the guy to get him to go to Cleveland. Dan Smith drove while Stan and the guy necked in the back seat. They all went to the Night Flights bar in Cleveland where Dan Smiths girlfriend, Tammy Kruse, was a waitress. They drank at Night Flights for awhile then decided to go to Cleveland to buy Dope.

Again, Dan Smith drove while Stan necked with the guy in the backseat. They took the guy to Cleveland and killed him. Heard something about stabbing the guy, maybe in the head. Davis claims Dan used a Blue Pontiac Grand Prix registered to a girldfriend to drive them in.

Davis also advised that Jalowiec had been living with a male lover named Rob Robinson who owned Fleetwood Limo service in Cleveland.

A covert tape recording was made of this entire interview. Leiby breifed CPD Det Beman of this info and Beman will do some followup.

033094 Det Beman advised that they found Night Flights and it is owned by an ex Cleveland Cop. No Tammy Kruse has ever worked there. Unable to find any Fleetwood Limo nor any Rob Robinson

042894 Advised by Ptlm Ellis that Dan Smith was incustody on six drug trafficking warrants. Was driving a rental Car. Claims his car was stolen. New Address is DAN SMITH 2183 W 104th Cleveland Ohio.

1 Dan Smith contacted Leiby and asked if he could make a deal on the homicide investigation in trade for reduction in drug charges. Leiby advised that it was possible depending on the info.

2 Dan Smith contacted Leiby and advised that his father Ray Smith would be able to provide facts concerning the death of Ron Lally in exchange for consideration for Danny & Ray. Arrangements were made to interview Ray Smith. No promises were given.

R1 070594 Leiby, Det Beaman & Hasan from CPD met with Ray Smith at EPD. Advised him of his rights and obtained a taped statement in which Ray Smith admitted to being present at the time of the homicide by claimed he was defending himself. It appeared to all three officers that Ray Smith had reversed his role with the role of Ron Lally. Smith also told Leiby "We didn't mean to kill him, we just wanted to scare him." This was after the tape was turned off, and the Cleveland Detectives were not present. See Statement for details.

3 Dan Smith contacted Leiby and wanted to know how his father had done. Dan was advised that his father had lied throughout the statement and if that was the best he could do, no consideration would be given.

4 Dan Smith contacted Leiby and advised that Ray Smith would come in and give a truthful statement, but he wanted Atty K Lieux to be court appointed to represent him. Det. Leiby made contact with the prosecutors office and with the assistance of Asst Pros. Lisa Lock Graves was able to have Judge Janas appoint Mr lieux

R2 090294 Arrangements were made for Leiby, Rosenbaum, Lieux and Ray Smith to meet at the county prosecutors office.

R3 090694 Rosenbaum, Leiby, Lieux and Smith had a short meeting. Mr Smith had a strong odor of alcohol about his person. Rosenbaum suggested that Smith & Lieux get together so Smith could proffer an unsigned statement, and Lieux could turn it over to Rosenbaum. It was also made very clear to Ray Smith that he would have to pass a polygraph to verify he was telling the truth.

090694 Leiby was contacted by Attorney Jeanne Cogner Mattes, Phone 244 2500. She represents an Israel Alvarez, SSN 292609646, DOB 012672. Ms Mattes claims that this subject has information concerning a homicide in Cleveland where the victim was killed because he was an informant. An appointment was made for 1300hrs 090794.

090794 Ms Mattes on station with Mr Alvarez. Leiby conducted the interview. Mr Alvarez consented to having it recorded and a tape was made. Alvarez was advised that he would have to pass a polygraph, and testify in court if necessary. Alvarez agreed.

Alvarez then related that he and Dan Smith had been out drinking together, at Andys & Teasers, and were talking about their drug cases. Dan began to brag to Alvarez about homicide that he had ordered

Dan Smith had Stan (couldn't remember last name) and Dans father, referred to as "Pops" and "Jack Frost" kill a guy named Ron because Ron had snitched on Dan Smith. Ron had been beat up, shot, and run over with a car.

The car belonged to a woman called "Queen or Queen Bee" it was a blue Lebaron Convertible. That Queen lived out by the college and used to be supported by a Campagna before he died.

Alvarez went on to say that he knew of two other people had heard Dan Smith brag about the homicide. They were Mike Lopez, Phone number 2840210, who drives a white Ford Escort two door, and lives in the area of Fowl Road. Used to work at a gutter place that is on Warden Ave in Elyria. May have active warrants at this time.

The second person is Duane, last name unknown, who drives a gray Buick Century, lives in the Fowl road area, near Lopez, with his mom,

Also advises that Dan Smith is living in West Ridge Green Mobile Home Park, Phone Number 284-0519, with his mom.

090794 Leiby made contact with Ashley and learned that Queen or Queen Bee is a Joann Fike who lives at 112 Greenway. Ms Fike uses crack, is friends with Dan Smith and often lends her car out in trade for dope. Ashley has interviewed her in the past and she was cooperative.

Further that the Elyria Drug Unit has a buy into Mike Lopez and can sign a warrant if necessary. Additional info is SSN 290 64 0745, DOB 112373, 143 Mount Vernon, Elyria. Ashley will question him if they make an arrest.

That Duane may be a Duane Moore who lives with his mother.

Both Lopez & Moore are known to hang around with Dan Smith.

Alvarez is going to attempt to meet with Dan Smith and obtain a covert tape recording of the meeting.

090794 1600hrs Meeting with Leiby, Rosenbaum & Milasky to review the tape. Milasky advised that Alvarez has jacked Lorain PD around after agreeing to work for them, in order to get sentencing postponed, The Jacked the FBI around in order to get it postponed again. Rosenbaum advised that Alvarez had to deliver the taped conversation with Dan Smith by Friday 090994 or no deal.

090794 1430hrs Leiby made phone contact with Ms Mattes and advised her that her client had two days to deliver. She complained about it and advised she would relay the message.

090794 1800hrs Leiby went to the area of 112 Greenway and observed a Blue 1992 Chrysler Lebaron Convertible, RP UZM349, parked in front of the residence. Leads shows the vehicle to belong to Joann C Fike, SSN 282 56 2395, DOB 100659, OLN PK177482. Vin on the vehicle is 1C3XU4532NF297696, purchased from Dick Baker Dodge Chrysler Plymouth in Vermilion.

090994 0900hrs. Leiby at Common pleas with Mattes & Alvarez. Alvarez has a poor quality tape that he covertly made while talking to Dan Smith. While Smith doesn't admit to anything on the tape he does discuss the case. The tape is very hard to hear. Barrios from LPD was there. Advised they have a new warrant against Mr Alvarez for Burglary. The will hold the warrant

Leiby convinced Milasky to postpone sentencing until 091494 at 1400hrs.

Leiby, Milasky, Mattes, and Alvarez had a meeting. Alvarez will work with Leiby thru the weekend in an attempt to get Dan Smith to talk about his part in the homicide. He was given until Tues Morning. If he doesn't produce by Monday 091294 Lorain will serve the burglary warrant.

090994 1130hrs Leiby met with Alvarez and his girlfriend Teresa near US Merchandise. Leiby provided Alvarez with three micro cassette tapes, a phone mic and obtained the following phone numbers and address: Alvarez lives at 200 E 31st St. Lorain, Home phone 246 0401, Pager 960 7960, Girlfriend Teresa lives at 2342 E 32nd St, Lorain, Phone number 277 4959. Alvarez is to meet Leiby at US Merchandise at 1830hrs this date.

090994 1830hrs. Leiby at US Merchandise, no sign of Alvarez. Paged him. Alvarez called and advised that he was in Cleveland with Dan Smith. Apparently Dan took his new Gray Buick Somerset, with wheels, to a shop in Cleveland for a stereo and an alarm. Dan Called Alvarez to haul him around while the car is being fixed. Alvarez will drop Dan off to pick up his car, and will page Leiby.

091294 Ref 090994. Alvarez was 30 to 45 minutes late for each meeting. Showed up at one with his pregnant girlfriend in the car. Finally got him out to Dan Smiths trailer (in West Ridge Green) around 2235hrs. Made 100 minutes of tape. Alvarez was not able to get Dan Smith to talk about the homicide. Alvarez did say that Lopez had seen the blood on the car the next day. It was obvious by listening to the tape that Alvarez had received a lot of his info 2nd hand from Mike Lopez as he was heard to say "Mike said" a lot. Dan Smith said he would tell Alvarez about it someday but not now. Also learned that Tammy, Dan Smiths' girlfriend doesn't know about the homicide. At one point Alvarez began to discuss the homicide in front of Tammy and Dan signaled him to be quiet. Dan later advised that he "Don't let her in on my business"

Leiby / Ashley ran one wire from Twin Lakes Mobile Homes and got a very clear tape. Holstein / Will ran the second wire from inside the trailer park and got a fair tape. Other teams assigned was Ellis / Homick in a marked unit, mobile. and Zack / Henthorne in a marked unit, mobile.

Discussed Mike Lopez with Det Ashley. They have at least one buy into Lopez for less than bulk, Crack. They will attempt to pick him up quietly so Leiby can interview him concerning the homicide. At this point it is felt that there is insufficient PC to get the car that was used.

091294 Leiby paged Alvarez. Alvarez called back. He was not able to get anything on tape over the weekend. Briefed Prosecutor Milasky and advised Lorian PD to pick Alvarez up on their new warrant for Burglary.

102094 Leiby & Ashley picked Mike Lopez, 143 Mount Vernon Ct, Elyria SSN 290 64 0745, DOB 112575, Phone 284 0937 up on the drug charges. Attempted an interview. Lopez refused to talk about the homicide but made it obvious he knew about it but appears scared..

120494 0110hrs Leiby.. Called into work by Will. Vernard Berry in custody for DUS and Drug Warrants. Berrys girlfriend Sonya, Phone 607 869 9448. Conducted an interview. Berry advised the following info:

Leiby that Dan Smith had told him (later found out that Mike Lopez told him) that the vehicle used in the homicide was a Blue LeBaron Convertible that belonged to Queen Bee, a W/F who lived by LCCC and rented her car out to Dan for crack. Mr Alvarez further advised that after the homicide new tires were put on the car. Det. Leiby then made contact with Det. Ashley of the drug unit and learned that Queen Bee was Joann Fike who lives at 112 Greenway Dr in Elyria. Ashley advised that she does own a blue Chrysler LeBaron and is known to lease the vehicle out to Dan Smith, as well as others, in exchange for crack cocaine

121694..Leiby O'Toole requested that this meeting not be recorded. I had previously set up a wire in my car to do a covert recording if necessary. I was able to make a very good covert tape. Neither Fike nor O'Toole are aware the tape was made, and it should be kept that way.

O'Toole advised that he wanted a written assurance that Fike would not be charged with anything, before she makes a formal statement. I

advised that if she was not involved in the homicide and would be willing to submit to a polygraph if necessary, I could arrange that. Mr O'Toole advised Fike to tell her story.

Ms Fike advised that in January of 1994 Dan Smith asked to borrow her car one evening because his girlfriend Tammy got a ticket in Cleveland and they needed to go to night court. Ms Fike loaned them the car. The next time she saw her car was about 0700hrs on the following morning.

Stan Jalowiec and Ray Smith returned the car to her and asked her to fix breakfast. She needed items from the store, and went out to her car, which was in the garage. She found that her 1992 Chrysler LeBaron had been washed and remembers wondering to herself "Why would these assholes wash my car in minus 35 degrees weather" (The fact that she remembered how cold it was is significant). She had to chip ice from the car in order to get into it. She saw blood on the steering wheel, on the drivers door panel near the door handle, on the drivers window, on the console near the shifter, on the hood and on the trunk. She would later find what she believed to be blood inside of her trunk.

Prior to going to the store Ms Fike went back into her house and asked about the blood. Stan Jalowiec showed her his bruised and cut knuckles and bragged that he had beat someone up behind Moms Open Kitchen on Broad Street in Elyria.

Ms Fike advised that Dan Smith put new tires on the front of the car a couple of months later. The rear ones are the same.

Ms Fike appears to be truthful and has a desire to cooperate. She is very much afraid of Dan, Ray & Stan.

121794... Leiby made contact with Rosenbaum, requested a letter of immunity for Fike.

121994... Leiby typed a written request for a Letter of Immunity for Fike and delivered it to Rosenbaum.

122794... Leiby Moore cancelled... Meeting with Fike & O'Toole. The letter of immunity was agreeable to Mr O'Toole. He advised Fike to tell everything she knew about the homicide and to be truthful. I made an audio tape of this interview with O'Toole's blessing. Ms Fike related the same information she had last time, with a little more detail. Made diagrams of where to look for blood on the hood, trunk and interior. (See attached diagrams completed by Leiby)

Ms Fike indicated that she may still have the front tires that were taken off her car by Smith. She needed a ride back to Elyria and I agreed to transport. Enroute she told me that Darren Tacket had come to her house several months prior and asked to see her car. He had her open the trunk and pointed to a stain on the inside drivers side. Tacket told her that "Someone had been killed in her car."

Ms Fike also advised that she had heard a rumor that "James", from Elyria, one of Dan Smith's main suppliers had given Ray and Stan each five hundred dollars for "Killing the Snitch." (James would be James Wilkerson who is currently serving time for Agg Drug Traff and who was asked by PS if he had any info on the case)

Agreed to an audio taped interview. Stated He & Misty were with Dan and Tammy the night that Ron was killed. The four of them had gone to Razzles Pub on Broad St. Dan acted starnged and sick all night. Right about bar closing He saw Queen Bee's (Fikes) convertible pull into Chapel alley across from Razzles. Dan went to the car and spoke to the occupants. (Terry did not see who was in the car but claims that his sister Sharon saw Stan Jalowiec, Ray Smith and Mike Smith in the car). Dan came back to the bar and really looked sick. All four left and went to Dans apartment. As they were going up the stairs Hopkins asked Dan what was the matter. Dan replied "They did it" Hopkins asked "What do you mean" Dan replied : "They did it tonight man, they took care of business". Hopkins understood this to mean that Lally had been killed.

Stan later bragged to Hopkins that he had shot Lally in the face but the gun jammed. Ray complained that "The son of a bitch wouldn't staydown." They stomped him and finally had to run over him. Stan complained that Mike Smith panicked when they did it.

Hopkins is willing to testify concerning the information but requested that his cooperation be kept confidential as long as possible. He advised that we can contact his sister Sharon at 324 2301 for an interview.

Motel when Terry was present and Danny asked Hartman about killing someone. Hartman told him no.

1110hrs Leiby spoke with John Risner, 329 5228, Hartmans PO. Explained what was going on. He will bring Hartman in and interview him for me and tape the interview. He will crank on Hartman a little bit to get him to tell the whole truth. Will get back with me Monday.

Called wanted to come in early. Showed up ten minutes later. Had her little boy with her. Made a covert tape. She was pretty nervous. Says that she was out drinking the night Ron Died and was probably pretty drunk. She used to hang around with Tammy and they were her ride home that night. They got together right about bar closing.

When she hooked up with them the convertible had already left. Dan, Tammy, Ray and Mike Smith were present. They all loaded in the black tiempo and she thought they were going home. Tammy was driving and they turned S/B on Middle Ave. She asked what was going on and Dan told her to be quiet, he had to take care of something. She says they drove Middle ave and crossed the tracks at the South city limits. They let Ray and Mike out of the car along side the road then drove off. They parked up the street and waited.

The LeBaron convertible drove by them, then drove by again. They started following it and it stopped. Stan was driving. Dan asked something about picking up his brother and Sharon spoke to Stan. Then everyone went back to Dons apartment. They dropped Sharon at her apartment where she hooked up with Terry & Misty.

1430hrs Leiby.. went to 112 Greenway, spoke to Corrine (as she has asked to be called) Fike. Took photos and hair samples of her 4 year old registered female brindle boxer, Cleopatra, for the crime lab. New phone number is 365 2033.

Her nephews name is Brian Howington, phone number 244 0045. She is gonna let him know that I will be calling. He may have given Stan the keys to the car that night.

Corrine asked if she needed her attorney present at future meetings. I told her that she was the only one I was talking to that had an attorney. She is gonna page me Monday and maybe cancel the appointment with the attorney and just come to EPD.

While at Corrines Richard Altpater showed up. I left and called Corrine to see if interviewing him would be a problem. She said no. I flagged him down as he was leaving and had him meet me.

1545hrs...Leiby Made contact with Richard Altpater, Pager# 664 5774 SSN 292 66 6465, DOB 030759. Self employed painter, 155 Pasadena, no phone. Made a covert tape of this interview. Mr Altpater seemed very honest. Advised that Dan & Tammy were staying at the hotel behind McDonalds on Griswold Rd (Comfort Inn) at the time and Altpater was there. Danny asked him if he knew anyone that would kill someone for money, Richard asked "How much?" Danny offered \$1000.00. Richard said no. Danny asked Richard if he would consider doing it for \$1000.

Richard has talked to Stan recently and asked Stan if he was there when it happened. Stan claimed that Ron and Raymond were partying and got in an argument. Rone pulled a gun, Ray got it and shot Ron with it. Stan denied that he was there.

I asked Richard about a formal statement and he said he would give one and would testify in court.

1700hrs 010695 Leiby/Whitely.. Vernard Berry on station at Leibys request. Made a tape, did a reinterview concerning what had happened on Middle Ave. at Mr Hero. Enroute they picked up Robert Norman and an unidentified B/M. They parked over behind Lorain Muffler and Brake. They walked over to the apartment and Stan was already inside. Ron called the police so Dan didn't get to talk to him. Berry claims he did not hear any threats, that Dann just wanted to talk to Ron. This interview will be transcribed.

Asked Dan about trying to find someone to beat up or kill Ron and he denied that. Then ten minutes later he brought up Richard Altpaters name as being with Stan when Stan was stopped in Corrines car.

I told Dan that I thought I had enough to go for an indictment on him for capitol murder. He still claimed to not know anything. Dan Smith offered to wear a wire when Ray came out to the county jail for a visit on 010895. He wants to set his father up on this homicide in exchange for consideration on his drug charges. Told him we weren't interested. Sent him back to the county jail. Interview was tape recorded.

010994..Leiby Det Moore CPD called. Advised they had located Tammy Marie Castro aka Tammy Green. C/F/23/DOB 052570, SSN 285 68 8419, 3606 W. 49th Street, Cleveland, Ohio Phone 281 7371. Ms Castro lives with Ratherlyn Green, possible her mother, and has three kids, ages 2.3, & 5 and she works as a stripper at Sams Show Bar in Cleveland. She was Dan Smiths girlfriend at the time of the homicide.

Ms Castro showed up at CPD with her attorney Gary Eisner, 2401 Snow Road, Suite 305, Parma Ohio, Phone 661 2993. Mr Eisner advised Det Moore that Ms Castro was invoking the fifth and would not speak to the officers. Det Moore requested that I obtain a Grand Jury subpoena for her.

Leiby met with Rosenbaum & breifed him on this. Rosenbaum advsied to contact Eisner and find out what he was after. Rosenbaum will give her immunity and a grand jury subpoena if necessary.

Leiby called Mr Eisner. he was uncooperative. I asked if Tammy was looking for immunity or an excuse not to talk and he advised me that she did not wish to say anything. I advised him that she would get immunity and be subpoenaed before our grand jury. Mr Eisner was argumentative and at one point told me "If you think you can indict her go ahead."

Completed a written request to Rosenbaum outlining what I needed in reference to Tammy Castro.

1130hrs 010995 Leiby Made contact with Jeff Wagner, Coroners office and advised him that Corrine Fikes dog is a boxer and that I had obtained hair samples and photographs.

nephew, Brian Howington Phone 244 0045 that gave Stan the keys on the night in question. Advises that she was out with a Sue Henley on that night.

She also wanted to change her story about why she went out to her car when Stan & Ray returned it that morning. She now advises that she was embarrassed and scared to tell me that she drove Ray over to Dans house to get crack cocaine. They took it back to her house and smoked it. They did not talk about Ron Lally when they got back to the house.

Had her view pictures of Ron Lally to determine if he had ever been to her house. She did not think he had been but advised that Darren Tackett once brought someone over who looked similar and was introduced as "Butch" or something like that.

011195 Leiby made contact with Darren Tackett. Tackett advised that he did not know Ron Lally at all and never took him to Pikes house.

011195 Leiby.. Dan Smith called to say that Ray would be calling me back and would be serious this time. I told Dan that I needed to know the name of the other person involved before I would do anything else. Dan said he would get back with me. Ray called a little while later and complained that I was pressing him and causing him a lot of problems. Wanted to know if I could do anything about Dans drug sentence. I told him I wasn't doing anything else until someone gave me the name of the third person involved in the homicide. Ray asked what he would get in return and I told him nothing. After some complaining Ray said the name "Stan" and said that he wasn't gonna say nothing else. Wants to come in on February 6th with Stan Jalowiec and confess to what they did and wants Dan off the hook in exchange. There is no way in hell we'll do this. There have been absolutely no promises made at this point and I have made that very clear to them.....

She is unable to provide any information on the homicide. Heard rumors that Dan wasn't there when it happened. That Dan had someone do it for him.

011195 Leiby received a call from Mike Lopez. Lopez insisted that he does not know anything about this homicide. Will not come in and talk, Would not give me the name of his attorney on the drug charges. I advised him that he may be able to get his charges dropped in exchange for cooperation. 011494... Leiby/Whitely.. Brian Howington came in for an interview. The interview was prefaced with discussion about the use of crack cocaine. Howington was advised that he would not be charged for any drug offenses as a result of this investigation.

Howington advised that he and Stan had gone out drinking on the evening of 011894 at about 2000hrs. They were using Corrines LeBaron and had been at Razzles and Power Slam. About 2300hrs they decided to go back to Corrines house. Stan advised he had to pick someone up first.

They drove to a big house next to Mr Hero on Middle Ave and went in. Howington & Stan went to this big guys apartment. Howington, Stan, the big guy and another unidentified C/M sat and smoked a joint in the big guys room. Then Howington, Stan and the big guy went back to Corrines where the smoked about three stems of crack cocaine and played pool. They did not eat anything while with Howington.

Stan got a page around 1230hrs (plus or minus) and made a phone call. Stan said he needed corrines car and Howington gave him the keys. Somewhere around 0100hrs(plus or minus) Stan and the big guy left 112 Greenway together in Corrines LeBaron.

Howington advised that Corrine got home a little after bar closing. Stan and Pops (Ray Smith) brought the car back sometime around 0600hrs 011995. Howington observed that the car had been washed and was frozen up (as indicated by Corrine) and observed small blood spots on the car. Howington also saw a little blood on Stans clothes. Stan explained that he had been in a fight downtown. Howington went to bed and did not see Corrine leave with anyone nor did he wake up when she returned.

Howington advised that he lived with Corrine at the time all of this was going on. He never heard Dan Smith threaten to kill anyone. Never talked to Stan or Ray about the homicide. This interview was audio taped and will be transcribed.

Howington was given a seven photo lineup with Ron Lallys photo. He was able to pick Lallys photo from the lineup with little difficulty. The polaroid photo lineup is preserved as evidence.
