

Of course you know, I was a little
pissed at you, because I couldn't
get a hold of you, but I got over
it once I realized that I had brought
all of this on myself.

But I don't know all of what's going
on as far as you, my brother, and
Mike Gough and frankly I don't give
a shit.

What I want down is trying to get
myself out and get my life back the
way it had it, before all this happened.

I guess what I'm trying to say is
I hold no ill feelings against
you concerning my brother.

As far as I'm concerned you were
fair and right with me and that's
what matters.

My Alaskan lets me out in Feb-March
I plan on getting married in September.
I really wish I could invite you
but you know the circumstances, plus the
wedding will be in my mother's back
yard. I did tell Judge Alaskan he
was invited though.

I have heard some things about
drug running in Elgin one for sure.
I don't know all the details, but as

soon As I do I will let you know.

I do know that Derrick Enghet is trying to get back into court and is trying to make seem as if they planted the drugs he was convicted of. He admitted to me that he gave Doyle Davis the drugs he was convicted of, and also the situation at JET concerning Co. Rice. I know where he got those from, James Moore's wife had sold them to him, by order of James.

I can explain it better to you when I talk to you.

Thanks again
Hiff
