Det. Geilby

I read the article
in the Chronicle Telegram
about Ronald Hall's death.

I see that you
finally found the people
who were involved
in that crime! I've known
who it was from the
very beginning. I
was real close to

In the jail
country jail
on undetected
charges. (Trafficking)

{ Dan (BOO-BOO), Smith,
And Stan! Back when
it occurred both
Dan and Stan were
booked into the Co. jail! }

Being closer to Dan
rather than Stan, I
talked more to Dan
about the incident.

Dan felt comfortable
enough with our
friendship to confide
in me about how
he took the snitch out!

We were on the subject of trafficking cases, caused by snitches; when Dan confided in me about his involvement!

Dan has a house on the west side of Clev. as well as an Apt. at Southwyck Manor in Elyria. He told me how he had his ability to cover him in Clev. on the night the death occurred. I made a few calls for him from the Co. jail to his girlfriend to let her know what to

say in case Dan got held for questioning. Dan was released the same day on bond. I know all of the people involved in this including

I went to school with
Ron! Dan was the last
person I was with
when I got arrested.
Well Det. I could
go on with more facts
but I think I'll
end this here! If
you're interested let me
know. I'm currently
incarcerated at Allen
Cor. Inst., doing "forever"!
See ya.
